Nestled in the aspen and pines, our family-owned ranch is your gateway to a gorgeous mountain paradise. Why Sundance Trail Guest Ranch? Well, we are...

- Small & relaxed, with only 24 guests
- All-inclusive, with meals, snacks, activities & more...
- In a peaceful, undiscovered part of Colorado - no crowds!
- Where Health & Safety are top priority
- Pet-friendly too!

A Note from the Owners

Back in '99, we waved goodbye to city life, and moved to the land of our dreams. The best part of our journey is sharing our ranch with folks like yourselves! Sundance Trail is where visitors become guests, and guests become family. We know you'll love it here, and we can't wait to welcome you!

Sincerely,
Dan & Ellen Morin
